Fair Share

With the enactment of Senate Bill No. 645 effective January 1, 2000 for the California State University Office of the Chancellor; and Senate Bill No. 1419 effective January 1, 1983 for the Department of Personnel Administration, the state employer and a recognized exclusive representative can enter into an agreement providing for organizational security in the form of *fair share fees*. These fees are collected by payroll deduction from every employee represented by that exclusive representative who is not a dues-paying member.

The law also allows employees with religious or conscientious objections to financially supporting or joining an employee organization to make specified charitable contributions equal to the fair share fee that would also be payroll deducted. The *fair share alternative* deductions are withheld at the amount specified by the exclusive representative.

The policies, procedures, and requirements governing fair share deductions are controlled by various Government Code Sections as well as memorandums of understanding between the State employer and the exclusive representative. Generally, the deduction processing for fair share is identical to dues deductions with a few exceptions.

- Form CD88A (blue paper) is used;
- two (2) documents are required for a *fair share alternative* deduction; and
- exclusive representatives are required to furnish names of approved charitable organizations to employees to designate an alternate recipient of their fair share deductions.

To insure the smooth and efficient processing of fair share deductions, please follow these instructions. These procedures are subject to change, and advance notification will be provided as needed.

Fair Share Form CD88A

The Form CD88A, *Notice to the State Controller of Fair Share Payroll Deduction Authorization*, is used only by an exclusive representative to notify State Controller's Office (SCO) of a fair share fee or fair share alternative deduction action. It must be completed and submitted by the exclusive representative (SCO will not accept requests from state agencies or employees.) The form can be submitted on either blue 8 1/2" x 11" paper or magnetic media.

Paper Form CD88A

by SCO and contain only fair share fee deductions. It cannot contain fair share alternative nor membership dues information because these must be submitted separately.

If you are interested in receiving further information on magnetic media please indicate this in item #6 of the Payroll Deduction Specifications form, or contact the Magnetic Media Coordinator (see Controller's Office Contact List).

Authorized Signatures

Exclusive representatives must authorize persons to sign the Form CD88A and must have sample signatures on file with SCO. The form submitted must be the original signed copy. A stamped signature of the authorized person will be accepted if a sample of the stamped signature is on file. Please keep authorized signatures updated.

Fair Share Alternative

If an employee holds conscientious objections to financially supporting or joining an employee organization, the fair share deduction can be forwarded to an approved charitable organization in lieu of the exclusive representative. To accomplish this, a *Fair Share Alternative Designation Form* must be completed by the employee and submitted with the CD88A.

Fair Share Alternative Designation Form

The Fair Share Alternative Designation Form (Part 1) is completed by the employee, and (Part 2) the exclusive representative. Please note that Part 1 was revised to include the designated charity's name and address. The employee must review the Charitable Fund Listing and select a designated charity before completing the form. The form, both front and back, must be reproduced on white paper from a master copy provided by SCO. If another master is needed, contact the Deduction Program Coordinator.

Charitable Fund Listing

The Fair Share Alternative Designated Charity Listing identifies organizations approved by the State Board of Control to receive payroll deductions and should be made available to employees who wish to designate their deductions to a specific charitable organization. Listings are updated annually.

FAIR SHARE ALTERNATIVE DESIGNATION FORM

COMPLETION INSTRUCTIONS

1. Enter your full name, social security number, and the complete name and mailing address of the designated charity you've selected to receive your fair share fees. Make your selection from the list provided by your exclusive representative. Sign and date the form. Enter your address only if you want to receive an acknowledgement of your donation.
2. Return the completed designation form to your exclusive representative.

NOTE: Once you have designated a charitable fund to receive your fair share fees, the designation remains in effect for the duration of your fair share alternative deduction. A change in designation can only occur under the following conditions:

- The designated charitable fund is no longer in existence; or,
- The Board of Control approval is rescinded for the designated charitable fund; or,
- Your exclusive representative changes.

Submitting Forms To SCO

Fair Share Fees

The Form CD88A is used for establishing, changing, or deleting fair share fee deductions. The Form CD88A's for fair share fees must be sent separately from those for fair share alternatives.

Fair Share Alternative

In addition to the Form CD88A, other documents are required for fair share alternatives. The following chart identifies the required documents needed to negotiate fair share alternative deductions.

Type Of Action	Required Documents		Special Instructions
	CD88A	Designation	
New	X	X	The designation form and copy of the declaration form must be stapled (in that order) to the back of the CD88A.
Delete	X	X	The designation form must be stapled to the back of the CD88A.
Change amount	X		(none)
Change designation		X	The written notification sent By SCO must be stapled to the back of the designation form.
Change amount and designation	X	X	The above instruction for "change designation" applies; and the CD88A and designation form must be submitted separately.

Employee Status Change

If an employee's status changes to a dues-paying member, a Form CD88A must be submitted to cancel the fair share fee deduction, and a Form CD88 must be submitted to establish the dues deduction.

Return of Erroneous Forms

SCO will return unprocessed fair share forms if the information on the form does not agree with our files, is invalid, incorrect or incomplete. A cover sheet will accompany the returned form(s) and indicate the reason for return.

Administrative Cancellations

Fair share deductions will be administratively canceled for employees who are no longer eligible due to moving into a class or position represented by another exclusive representative, or moved into an excluded class or position.

SCO will notify the exclusive representative and the employee when fair share deductions are cancelled due to the above reasons. Notifications will be sent the beginning of the month following the month of cancellation. Cancellations will only occur based on the employees' collective bargaining status at the time SCO processes them.

Service Charges

By statutory requirement, SCO must determine and collect the cost involved in making payroll deductions. Service charges are deducted from the total remittances sent to the exclusive representative.

Participation Forms

To participate in fair share deduction privileges, an exclusive representative must complete and submit the Hold Harmless Agreement, Payroll Deduction Specifications Form and Internet Participation Request Forms to SCO. All forms must be submitted together—one form without the other, or forms with missing/illegible information, will delay the SCO approval process. A copy of the completed forms should be made and retained by the deduction client.

Hold Harmless Agreement

This form contains certified statements and a hold harmless agreement or waiver of liability that an exclusive representative must enter into with SCO for payroll deduction privileges.

Payroll Deduction Specifications Form

This form provides SCO with key information needed to begin withholding and remitting fair share monies.

Internet Participation Request Form

This form provides SCO with information necessary to begin the process of providing you access to your payroll deduction files through our Internet Reporting Process.

Since you are already an exclusive representative, and as such, already have payroll deductions for dues, you are familiar with SCO's guidelines and policies pertaining to Miscellaneous Payroll Deduction program. Rather than duplicate many of this information, please refer to the Miscellaneous Deduction Package. The package also includes pertinent information regarding the Internet Reporting Process. The package is also available from our website at:
